

User - Signup

Basic Course:

On the signup page the user can sign up with their email address, create a password, and provide their full name.

Alternate Course:

- If the email supplied is already in use the application will not let the user signup.
- If any required details are left blank, it should prevent the user from saving, and display that there are unfilled fields.
- If they do not save before changing pages, it should warn the user changes have not been saved.
