

**User - Signup
Basic Course:**

On the signup page the user can sign up with their email address, create a password, and provide their full name.

Alternate Course:

If the email supplied is already in use the application will not let the user signup.

If any required details are left blank it should prevent the user from saving, and display that there are unfilled fields.

If they do not save before changing pages, it should warn the user changes have not been saved.
